

# Successful Proposal Writing Workshops

## Alabama, Kentucky, Mississippi, Tennessee

In anticipation of the 2009 CARE Grant Solicitation –  
The Environmental Protection Agency (EPA) Region 4 CARE Program is offering grant writing training. These workshops will clarify what is needed for successful competitive proposals for multiple EPA funding opportunities.

### EPA Grant Opportunities for Community-Based Environmental Initiatives.

EPA has several funding opportunities to "lend a hand" to communities who want to be effective stewards of their local environment. Many of these opportunities will be discussed at these proposal writing workshops, including Community Action for A Renewed Environment (CARE), brownfields and redevelopment, and watershed management grant programs.

#### Who qualifies for this funding? YOU!

Colleges and Universities  
Federally Recognized Indian Tribal Governments and  
Native American Organizations  
Hospitals and Local Health Departments  
Local Government Agencies
